

# Eastbourne

Picturesquely set at the foot of the Sussex downs, the beautiful town of Eastbourne with its three-tiered seafront promenade is bordered by floral banks and stylish hotels. Eastbourne is one of the few resorts which retains a splendid bandstand where concerts are held during the season.

## Hadleigh Hotel

The Hadleigh Hotel is one of the most popular hotels with our customers who return time after time. The hotel is situated near the seafront promenade and only a few minutes level walk from the bandstand, carpet gardens and main shopping centre. The Hadleigh Hotel offers comfortable en-suite accommodation with colour television and tea/coffee making facilities. There is a lift to all floors.

## Claremont Hotel

Due to the great success of this hotel in 2007 and 2008 we are pleased to include it in our brochure once again this year. This Grade II listed Victorian hotel is situated on the seafront with wonderful sea views and it is overlooking the beautiful carpet gardens and illuminated fountains. The Claremont Hotel offers comfortable en-suite accommodation with colour television and tea/coffee making facilities. The hotel is a short level walk to the main shopping centre. There is a lift to all floors.

## Excursions

We will visit the town of Battle which is famous as the site of William the Conqueror's victory over the Saxon English in 1066. Battle is a thriving market town featuring Georgian and medieval cottages. We continue onto Hastings with its picturesque old houses crowded into narrow twisting streets and its tall net lofts, which retains many of the characteristics of an old fashioned village.

We travel along the coast to Brighton one of Britain's liveliest and most attractive resorts. The famous Royal Pavilion is situated close to the town centre. In the oldest part of the town you will find a maze of narrow passages known as The Lanes. The 17th century fishermen's cottages are now mainly converted into curio and antique shops or old bookshops.
