

# Lakes & Dales

Simply one of Britain's most beautiful places, the Lake District is world renowned for its stunning landscapes, lush hillsides, forests and beautiful lakes. The Yorkshire Dales has outstanding scenery, a diversity of wildlife habitats, a rich cultural heritage and peacefulness. The Dales lies astride the Pennines in the North of England in the counties of North Yorkshire and Cumbria. This tour is based in Morecambe, which is ideally situated close to the Lake District and Yorkshire Dales.

All the en-suite bedrooms are comfortably furnished which include colour television and tea/coffee making facilities. ## Excursions

Our excursion takes us on a scenic drive through the beautiful Lake District to Lake Windermere. You will have time to look around the shops and have lunch before your included afternoon cruise on the lake.

Our tour to the Yorkshire Dales takes us to the market town of Skipton which prides itself on being 'The Gateway to the Dales'. We include a cruise on Britain's longest inland waterway which finally opened in 1816 and remains largely unaltered to this day. You can enjoy the scenery as you travel slowly through the Pennines and Yorkshire Dales with an interesting commentary on the canal and landscape by the skipper.

# Lytham St. Annes

Lytham St. Annes still retains a timeless classic style sadly lost by many resorts today. This elegant resort has something for all the family - safe beaches, rolling sand dunes, superb shopping, famous golf clubs, beautiful gardens and the famous pier and windmill. St. Annes is a haven of peace and tranquillity and is continually re-inventing itself to keep pace with the 21st century whilst retaining its familiar charm.

## Langdales Hotel

We are pleased to offer this lovely hotel to our customers again this year as it has proved very popular in the past. The Langdales is a family run hotel, overlooking the lovely Ashton Gardens and just a two minute stroll from the beach, pier and shopping centre in St. Annes. Excellent traditional food is served in the new refurbished licensed restaurant and bar, and regular evening entertainment can be enjoyed in the large ballroom. All the bedrooms are attractively decorated and furnished with en-suite facilities, hospitality tray, colour television, direct dial telephone and hairdryer. Indoor leisure facilities include a heated swimming pool and spa.

## Excursions

Southport, on England's beautiful North West coastline, is renowned as Europe's most elegant seaside resorts and as the Floral Capital of the North West. Lord Street is a beautiful tree-lined boulevard with elegant canopied shopping arcades surrounded by classical buildings, fountains and landscaped gardens.

We also visit Preston which was awarded city status in 2002. Preston is a city of stunning parks and around 750 historic listed buildings which has a fascinating history dating back to its listing in the Domesday Book. The tightly packed city centre, with historic streets Fishergate and Friargate and stunning Flag Market Square overlooked by the mighty Harris Museum & Art Gallery, offers a fine shopping experience, blending modern shopping centres with independent retailers, historic Victorian outdoor markets and arcades.
