

# Scarborough

Scarborough has been a traditional seaside destination for over a hundred years. The attraction of the sweeping sands of the North and South Bays, combined with the lush greenery of the wooded valleys and ornamental gardens means the resort is as popular as ever.

### Delmont Hotel

We are pleased to offer the Delmont Hotel to our customers once again this year due to the successful tours in the past. This friendly hotel is situated on the North Bay and is only a short walk to the town centre and seafront. The hotel offers comfortable en-suite accommodation, good food, a friendly atmosphere and evening entertainment. There is a lift to all floors.

### Excursions

Historic York is one of the world's most fascinating cities. This walled city is well worth visiting with York Minster being the jewel in the crown. There is plenty to suit everybody in York whether it is shopping or visiting the Jorvik Viking Centre or the National Railway Museum you are guaranteed an enjoyable day.

We also travel through the North Yorkshire Moors to Goathland famous for the television series 'Heartbeat' before continuing on our journey to the quaint fishing village of Whitby. The historic charm of Whitby, with its narrow, cobbled streets and picturesque pantiled houses is world famous.
