Suffolk Coast

Why not join us on this new tour to the beautiful Suffolk Coast where we will be staying in the delightful seaside resort of Clacton On Sea.

Esplanade Hotel

We are pleased to offer the Esplanade Hotel to our customers for the first time this year. This friendly family run 2* hotel is ideally situated on the seafront and is just a short stroll to the pier and town centre. All the en-suite bedrooms are comfortably furnished with colour television, tea/coffee making facilities, hair dryer and direct dial telephone. The hotel has an attractive bar and lounge where entertainment is held some evenings. The spacious restaurant offers an excellent choice of menu daily. The hotel does not have a lift but some ground floor rooms are available on request.

Excursions

We visit Felixstowe which is a traditional and truly genteel Edwardian seaside resort, the so-called 'Garden Resort of the East Coast'. The town has a long sand and shingle beach, and extensive beautiful gardens line the promenade; some, like those by the Spa Pavilion and Town Hall, have been listed on the English Heritage Register of Parks and Gardens of National Importance.

We visit Colchester which is Britain's oldest recorded town. Archealogical evidence shows a settlement existed here 3,000 years ago. Colchester town centre offers a wide range of shops where much of the main shopping can be found on the High Street and in the surrounding side streets.

Excursions

Sussex Surprise

Bognor Regis is well known for being the sunniest place on the south coast and is justly proud of its beaches of firm sand, its mild climate and its long-standing reputation as a health resort. Although the beach is Bognor's main attraction, there is also a pleasant esplanade, a theatre and some attractive gardens. There is a good selection of shops in the town centre.

Beachcroft Hotel

With its unique sea front position, the Beachcroft Hotel offers something for everybody. This lovely 3* hotel is located on the seafront at the end of a quiet cul-de sac in Felpham. The centre of Felpham Village with it's Norman Church, Post Office, small selection of shops and 'Olde Worlde' Pubs are only 500 yards away and Bognor Regis Town Centre lies one mile to the west. The hotel garden adjoins the promenade which is almost four miles long from east to west. All the en-suite bedrooms are comfortably furnished with colour television and tea/coffee making facilities. The hotel restaurant has a reputation for excellent food and service. For relaxation, the hotel offers an indoor heated swimming pool and a beauty treatment spa.

Excursions

We will visit Worthing known for its bracing air and five-mile long seafront, this popular seaside town also has a pier and many other attractions. Among many of the fine gardens in the town are the charming Denton Gardens, with their lawns and sunken rose garden. Worthing is uniquely flat, which makes movement around the sea front and town easy. Boasting safe, pedestrianised streets and a covered shopping centre.

We will also visit Chichester which was founded by the Romans and their encircling wall still remains, with other reminders of the town's historical past. The town holds a large open air market on Wednesday where you will be able to browse and look for bargains. There is also a large shopping centre with all the main high street stores.
