## Cliffe-Norton Hotel

The Cliffe-Norton Hotel occupies a premier position above North Beach with uninterrupted views across the bay. This hotel has proved very popular with our customers over the last few years and we are pleased to include it in our brochure once again this year. The hotel offers comfortable en-suite accommodation and excellent cuisine. The hotel has a lift but some steps are unavoidable therefore this hotel would not be suitable for people with walking difficulties.

## Excursions

We take a leisurely drive through the Preseli Mountains to Cardigan a bustling market town with lots of character. It was once one of the principal ports along the west coast of Wales, and although its days of maritime glory are over, much interest still remains. The long main street is remarkable for the variety of its shops and hotels, some of the inns going back to the days of stagecoach. We continue on to the pretty seaside resort of Saundersfoot with its capacious harbour being one of the most popular sailing and watersports centre in South Wales, allowing instant access to the waters of Carmarthen Bay. The resort itself is also deservedly popular. A long sandy beach stretches away from the quayside, close to all the amenities.
