London's New Year celebrations are truly incredible, with the high-point being an amazing firework display close to the London Eye at midnight. The atmosphere in central London is amazing as it transforms into one massive street party centred around Trafalgar Square and Parliament Square. Then on New Year's Day there's the spectacular London Parade, as marching bands from all around the world celebrate New Year in a riot of colour and sound.

Excursions will vary during this period and the hotels' itineraries might be subject to change at the discretion of the each hotel manager.
